

How will I know if my child is selected for a team?

Each team U13, U15, U17(age on 31st December in year of competition) and Senior men and Women has a team on an APP called Heja. The coach for each team will post details on this APP about selection for the next games. Please reply promptly with your answer, so that we can find a replacement player, and avoid postponing or cancelling a match at short notice.

All upcoming games, and details of which age are posted on the [club calendar](#). Please check this regularly for updates and changes
