

Joining

There are regular intakes of new swimmers per year. New applicants will be invited to an assessment session which allows the coaches to place the swimmer in the most appropriate sessions.

Swimmers must be at least 4 years old

Waiting List

Warrington Swimming and Water Polo Club have a limit on the number of swimmers which can be accommodated in the pool in a session. Consequently, the number of members is controlled carefully.

The list is processed in order of application date and availability in the relevant swimming group.
