

Swim and Water Polo Trials

We hold regular trials on a Friday evening at the Woolston pool for swimming. They are assessed during these sessions and are invited to attend the appropriate sessions and lanes within the club dependant on their abilities.

Trials for Water Polo are normally on a Saturday evening at Orford, or occasionally on a Monday evening at Lymm. New players will be expected to be competent swimmers.

If you wish to be considered for a trial please complete the "Request a Trial" which can be found on the ["New Members Register Here"](#)

You will need to complete the form stating the Name, DOB, Email, Phone no and current swimming ability. Please note children that cannot swim would normally not be accepted until at least four years of age, and subject to space in each class. You will be informed when the next trial date is due via email
